Introducing the newest **Athletic Fit** into US SPORTS UNIFORMS (from June 2019)! A style is closer to the new trend of the 2018 season.

- Narrowed shoulder width of the tops with more shoulders showing;
- Tightened chest design to make the tops more fitted;
- Shortened length of the shorts

More options for your next team uniforms. Tips help you make decisions:

- Choose standard cut if you prefer a loose and relaxed style;
- Choose the Athletic Fit series if you prefer a more fitted style similar to the new trend of the 2018 season.

Variations +/- 2cm

The sizing on the chart is the actual measurement of the garment itself.

When choosing your garment sizes, the best idea is to find a garment you currently have in a size that is comfortable. Then measure the garment across the chest then refer to our size chart - just choose a size the same measurement.
